

EAT ^{the} Street 2025

Program

Saturday, 15 November 12pm-7pm
Keen Street, Lismore

Welcome

Cr Steve Krieg

Mayor of Lismore

It's my great pleasure to welcome everyone back to Norco Eat the Street 2025, Lismore's signature celebration of food, drink and community.

This event holds a special place in our city's heart. When Eat the Street first began in 2016, it was an instant success, a simple but powerful idea that brought people together to share good food, good company and the unique culture of Lismore. Over the years it became a staple on our events calendar, attracting more than 20,000 people to the CBD to experience our region's incredible flavours and vibrant local hospitality.

This year's return is made possible thanks to funding from the NSW Government's Vibrant Streets Package and the generous support of our sponsors, Norco and Quikshade. Their commitment to our community has helped bring this award-winning festival back to life.

Eat the Street 2025 promises to be something truly special, a day filled with great food, live entertainment and good times in the very heart of the Lismore CBD. I invite everyone to come along, reconnect and celebrate everything that makes Lismore such a vibrant community.

*Lose yourself in the
delicious chunks.*
